Range of Experience

Dennis joined Windes in 2002 and is the firm's Chief Financial Officer. He has more than 20 years of client service, accounting, management, and operations experience.

Dennis has served and held positions with high-tech, manufacturing, petro/chemical, and professional services firms.

Dennis' key responsibilities are to direct and coordinate the activities of internal; finance personnel and systems that support the firm's client service departments, providing operational guidance, analysis, and appraisal of the effectiveness of firm operations while enforcing financial policies and procedures. Dennis assists the firm's President and Board of Directors and oversees financial reporting.
